Hitachi EH1100

General characteristics

Brand	Hitachi
Subcategory	Wheel dump
Year of construction	1999
Condition	Used
Fuel	Diesel
Reference	DI980111

Properties

Length	930cm
Width	440cm
Cabin	No

Technical specifications

Number of axes	2
Axis configuration	4x2
Transmission	Automatic
Assets	700hp

Description

HITACHI EH1100 Capacity 36 M3 Engine CUMMINS VTA28 / 700 HP / 12 Cylinders Command CAB III Air conditioning ALL-hydraulic braking Low Loading height Contronic Monitoring System Automatic transmission, Trim boost soft shift Two-speed reverse Accu-Trac suspension, Neocon struts Swing-Out Grille Wet disc brakes Load capacity Heap 36M3
